

## 4th of May 2024

Schedule	Class	Costume A		Costume B	
Be there about 5 minutes before. Wait outside until called.	Come with an adult to help change you, and any base layers you want (footless skin coloured tights, black leggings, a few also need to bring finale tops as part of their costume)	Individual photos can be taken once in costume by your adult. We'll have a special photo area for this. NO PHOTOS WHILST CHANGING!	Rhiannon will do a group photo with all of them, then take out those without photo permission to allow those with to have a group photo as well.	Then they're to change into their second outfit if they have one!	Once finished you can take the costume home with you to look after for the week. BRING THIS TO THE SHOW ALONG WITH FINALE OUTFIT.
